Eco-1 Laptop Cart | The Practical Mobile Solution

PRACTICAL AND ECONOMIC

Can't justify spending \$3000.00 or more for your computer workstation? In most configurations the Eco-1 Cart can be purchased for less than \$1000.00.

DURABLE

Constructed primarily from aluminum stock, this is one tough workstation that won't let you down on the job.

A limited lifetime warranty is provided on all manufactured components.

ERGONOMIC

Weighing in at a sleek 35 lbs., pushing this workstation around all day won't qualify as a workout at your local gym.

If you want to rest your feet, the Eco-1 Cart is easily height adjusted from a standing height to a comfortable sitting height.

CONFIGURABLE

The Eco-1 Cart is available in four different configurations, has two base options, and two power supply options.

In addition our U.S.A. factory can build custom attachments to your specifications.
